### *Suzanne Abram*

I moved from Buffalo, New York in August of 2009. I have two brothers plus their families that live in the New River Valley. My son moved to New York City, and my dog who was 17 years old passed away. I felt the need for a change. I met Kat through a mutual acquaintance and found out she was looking for someone to help her with her pet-sitting business. Missing my dog, and wanting to meet new people (and animals!) I quickly accepted the position. I have loved every minute of it!

When I am not pet sitting, I enjoy running, biking and swimming. I also do volunteer work around the area.

Since I haven't had the heart to replace my dog, your pets will be the recipients of my love and affection. I will look forward to meeting them! ~ Suzanne

### *Rachel Dalton* 🐱🐱🐱🐱

Hello everyone! I joined the Katnip Acre family in 2007 to help with the late-year holiday season. I have always enjoyed spending time with pets, and believe that happy and healthy pets require plenty of love, playtime, and exercise.

I grew up in Manassas, Virginia and now reside in Snowville (outside of Riner). When not pet sitting, I work as an office manager for a small dental practice in Blacksburg, and enjoy spending time with my husband and two step-children, ages 14 and 18. We have two Jack Russells names **Tex** and **Levi**. I am a big fan of Cesar Milan, the Dog Whisperer on the National Geographic Channel. I also have two cats – **Rufus**, my 12 year-old tomcat, and **Phez**, who is 3 years old and “belongs” to **Tex**!

While my animals are a huge part of my family life, I also enjoy camping, hiking, snow skiing, fishing, hunting and sewing. I look forward to meeting your furry family and taking care of their special needs while you are away. ~ Rachel
