"We highly recommend Katnip Acre. It is a **first class outfit** - reliable, dependable and professional are words we'd use. That alone would be enough for most people, but on top of that - **Kat has such love and caring for the animals** that we know if Kat is looking after our crew, they will be in the best of hands. In short, we can't recommend them enough."

"We have been **thrilled with the service** we've received from Katnip Acre. Josh and Kat are wonderful people with a true love for animals. Our dog is very precious to us and we don't like to leave her, but I have no worries when Katnip Acre is on the job. She gets incredibly excited when she sees Josh or Kat, and is **wonderfully exhausted after a visit (with playtime)** from them. I would highly recommend Katnip Acre to anyone looking for quality and caring pet sitters."

"Dale and I know that **we can rely on Kat and Josh** to take care of our three cats (our "Fur Persons") as if they belong to them. One of our cats, Mimosa, has special medical needs and Kat and Josh kindly take care of him. Plus they go the **extra mile watching out for our house**. I certainly recommend them!"

"What a great service Kat and Josh provide at Katnip Acre Pet Sitting. **I have both a dog and cat, and travel frequently overnight**. Keeping Lou and Hokie at home during my trips I not only eliminate a special trip to drop off, and then pick up at a kennel, but they are in a much better mood when I return. And I no longer need to arrange my schedule around the operating hours of the kennel. In addition, **their fees are very reasonable for the service they provide**. I recommend them highly for your in-home pet sitting needs
